**APPLICANT'S RESPONSE TO OPPOSER'S
MOTION FOR LEAVE TO AMEND ITS NOTICE OF OPPOSITION**

Applicant, Inviro Medical Devices Ltd. ("Inviro"), hereby responds to the Motion for Leave to Amend as mailed by Opposer, Baxter International Inc. ("Baxter"), on July 18, 2002. Today, Monday, August 19, 2002, is Inviro's deadline for responding to Baxter's Motion for Leave to Amend Baxter's Notice of Opposition.

As confirmed in a telephone conference on August 19, 2002, the parties have agreed to further revisions to Baxter's Amended Notice of Opposition, namely, Baxter's deletion of its PLASMALINK assertions from the Notice of Opposition. To allow Baxter time to further revise its Amended Notice of Opposition, and to allow Inviro time to review and consent to the revisions, Inviro respectfully requests that the Trademark Trial and Appeal Board ("Board") set aside Baxter's pending Motion for Leave. It is believed that Baxter's pending Motion for Leave will be rendered moot by an anticipated and forthcoming Consented to Motion to Amend Baxter's Notice of Opposition.

Baxter has consented to this request to set aside the pending Motion for Leave.
